

Affiliation with US Labor against the War

Whereas, AFT-W, WI AFL-CIO, and the South Central Federation of Labor have affiliated with US Labor against the War since near its inception in 2003 and other local unions have affiliated since then, and

Whereas, Wisconsin unions are in a uniquely bad labor climate and need to clearly define the stakes of our struggle against emerging feudal economic arrangements in order to be relevant to our potential members, and

Whereas, our unions can distinguish ourselves by not shirking but taking a stance on the most important economic questions of our time including whether to continue to divert billions from human needs and public sector programs in order to spend them on bombing and war, therefore be it

Resolved, that WPEC will re-affiliate with USLAW and provide an affiliation fee of \$25 this year.

Does not come to the floor.
