

FW: Records Request

Hello Jill,

I wanted to follow up the voice message I left you last week regarding your records request. As I indicated in that message, DOR has not finalized any decisions regarding the Section L market adjustments for which we have discretion to distribute, so we do not have any records to provide at this point in time. As I further indicated, I anticipate that final decisions should be made by the end of June or early July. Once the decisions are finalized, I can share with you any releasable documents we have that meet your request. You are welcome to submit a new request at a later date if you have not heard back from me.

Thank you and let me know if you have any questions.

Subject: Records Request

Dear Records Custodian:

This is to request a copy of the criteria DOR has developed for distribution of adjustments listed in Section L - Market and Parity Provisions of the 2013-15 Compensation Plan. I would also like a copy of any documents which describe

how DOR intends to distribute these adjustments in a "uniform manner throughout the agency or employing unit."

I would prefer to have any documents sent electronically to wpec@aft-wisconsin.org. Thank you.
