Dear Ms. Hynum,

Your request for information to Denise Solie has been forwarded to me for response. I am the Human Resources Director for the Department of Transportation. As you know, the 2013-15 Compensation Plan allows agencies to provide IT Market Adjustments for employees who are in permanent status in a professional IT classification on June 29, 2014. The Department of Transportation is currently working on the process for distributing these IT Market Adjustments for June 29, 2014. Therefore, I don't have any specific information I can provide to you at this point. Finalized criteria will not be available or considered a public record until after implementation of the IT Market Adjustments in July 2014.

Thank you,

Randy T. Sarver

Human Resources Director

Subject: Records Request

Dear Records Custodian:

This is to request a copy of the criteria DOT has developed for distribution of adjustments listed in Section L - Market and Parity Provisions of the 2013-15 Compensation Plan. I would also like a copy of any documents which describe how DOT intends to distribute these adjustments in a "uniform manner throughout the agency or employing unit."

I would prefer to have any documents sent electronically to wpec@aft-wisconsin.org.

Thank you.

Jill Hynum
