

We are continuing to fight back against the attacks on our rights and our communities by fighting forward! Let's stand together as proud union members and supporters to reclaim the promise of living wages, safe workplaces and strong labor laws. On March 28, we will reaffirm our commitment to supporting high-quality public education, strong public services and democracy in Wisconsin.

This exciting rally will feature MSNBC TV personality Ed Schultz. Ed is a strong supporter of workers' rights and has used his popular TV and talk radio shows as platforms to raise awareness about the attacks on working Wisconsinites.

Tickets are **FREE**, with a suggested donation of \$10 for the River Food Pantry and the AFT Local 243 scholarship fund for Madison Area Technical College students.
