

Rally on August 21

More than 200 supporters rallied in Superior on July 26 to say NO to outsourcing. Let's top that when UW Board of Regents meets at UW-Oshkosh.

Outsourcing is *wrong* for UW

UW-Superior sent “at risk” notices to custodians and grounds crew employees and has invited outside contractors to bid for their jobs.

The UW System is trying to balance its budget on the backs of its lowest paid employees. Outsourcing is a cancer and can't be contained on one campus. We need to stop it before it starts.

Help us tell the Board of Regents that outsourcing is wrong at UWS and it's wrong for Wisconsin.
