

1. Resolution to Protect Our Health Insurance

Whereas, State Employee Health Insurance has suffered a number of setbacks under the Walker Administration including the Legislature ordering costs cut by \$80 million in one budget cycle (reducing our compensation by \$80 M) and the ill-advised "Self-Insurance" proposal, and

Whereas, ETF or the Group Insurance Board has stated in writing that they intend to raise insurance premiums in the near future for state employees who decline to participate in the state's Wellness Program, therefore

Be it Resolved, WPEC will form an Ad Hoc Committee to take action on protecting our health insurance.
