

2019 Special Labor Day Collection!

AFL-CIO Community Services and United Way Partnership

Help Students who are Homeless in the MMSD Transition Education Program (TEP)

This is your chance to make sure they get a great start to the new school year!

Donated items are always needed but we, the Community Services Committee of the South Central Federation of Labor, would like to make a special effort this Labor Day.

Please help out if/as possible. We understand that there are many requests of your resources but hopefully a little bit from everyone will add up! All of the items requested are in great need and will help students whose families are homeless or in unstable housing at this time.

As you might imagine, there are a number of items needed for students in TEP. Featured below are just a few of the needs of the program.

- deodorant
- laundry soap (smaller bottles) or detergent pods
- highlighters
- gift cards - HyVee, Kwik Trip, Target, places to eat, ...
- pencil pouches for binders
- African American hair products
- NON-permanent, washable markers (skinny ones)
- hand/body lotion in bigger bottles

Donations may be dropped off at the SCFL office at 1602 South Park Street, Room 228, in Madison. Please note that the donations are for the Labor Day drive. In addition, items may be dropped off with the AFL-CIO Community Services Liaison at the Anderson United Way Center at 2059 Atwood Avenue in Madison from 8:00 a.m. to 4:30 p.m.

On **Monday, September 2nd - which is Labor Day** - we will be doing this collection as a part of LaborFest '19 at the Madison Labor Temple. We hope all Union members and Locals in the area as well as LaborFest '19 attendees will participate. Please contact the AFL-CIO Community Services Liaison at labor@uwdc.org or 608-246-4355 if you need additional information or want to host a special drive at your work location.
