Dear Ms. Hynum:

This letter is in response to your June 9, 2011, public records request. You requested the most recent vacant position listing for all state agencies and a listing of "the 735 vacancies targeted for elimination in the Budget Bill because they've been vacant for at least a year."

The current vacancy position listing for all state agencies is enclosed. Also enclosed is a listing of the Budget position eliminations for long-term vacancies. This listing reflects what was in the Governor's budget, not final action. The positions in this list total 728.96 FTE positions, reflecting correction of miscellaneous errata in the original proposal.

These reports do not include data for employees of the State Legislature, Wisconsin Court System, or the University of Wisconsin. They are the custodians of records regarding their employees. To obtain information from those agencies, you will need to contact them directly.

Sincerely,

Elisabeth Dieterich
Legal Counsel
